

Take Control of Your Audio Conference Calls With IVCI

Finding a conference call company that puts the customer in the driver's seat used to be an impossible task. Arranging a conference call took time and patience and the complications were endless — from booking the call to making sense of the bills.

IVCI has done away with all the fuss. We offer our customers a reservationless audio conference call service, fully backed by the latest technology so you are always in control. What's more, our services are supported with the most up-to-date equipment in the marketplace, with state-of-the-art back up facilities and highly secure servers to ensure that your calls are secure and protected at all times.

Our service works 24 hours a day, 7 days a week, 365 days a year, to make certain we keep you talking!

Why Switch to IVCI?

- ▶ Reservationless conferencing available 24 hours a day, everyday
- ▶ Your own unique conferencing service phone number
- ▶ Fully-featured conference facilities
